Sir:

Applicants request that the filing receipt (PTO-103X) for this application be corrected, a copy of which is enclosed.

Applicants have reviewed the filing receipt and have noticed that the filing fee received is substantially larger (\$1,060.00) than the authorized fee (\$790.00). Applicants therefore respectfully request an explanation for the discrepancy in the listed fee.

The following names were incorrectly listed as inventors on the provisional application and should be deleted as named inventors on the filing receipt: Sharon Louise Shinkle, Snehlata Singh Mascarenhas, Norman Dale Brooks, Douglas James Allen, Kurt Douglas DeKemper, Stuart James Garvin and Linda Cameron Murray. Since they were not inventors, they did not sign the Declaration. Thus, it does not appear necessary to petition for a correction of

Serial No. 09/163769

inventorship. Please advise if this is not correct.

Applicants request favorable action on the above matter.

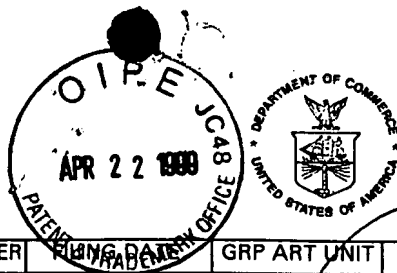

Respectfully submitted,
